FAXPHONE L100

Laser Fax-based Multifunction Printer

(shown with tilted control panel)

- 33.6 Kbps **Super G3** fax[1]
- Up to **512 sheets of memory capacity**[2]
- **30 one-touch speed dials** and 100 coded dials for a comprehensive address book
- Telephone **handset included** as standard
- **Quick first print** arrives in just 8 seconds
- **Unique design** a fit for any home or small office
- Low energy consumption uses just **1.4W in Energy Saver mode**
- **Single Cartridge System** for easy supplies replenishment

Advanced Desktop Laser Performance

The FAXPHONE L100 combines the performance of a laser fax machine, laser printer and digital copier together for your small office or personal desktop. Incorporating the latest fax capabilities, a 19-page per minute laser print engine and a brand new copier function, this stylishly redesigned machine functions in the place of three devices.

With features such as a 30-sheet Automatic Document Feeder, 130 speed dials, Super G3 fax technology and a large 512-sheet fax memory, the FAXPHONE L100 surpasses single function fax machines.

Printed faxes and documents will both have the same results - quality laser output. The FAXPHONE L100 is the smart choice for desktop laser fax, print and copy performance.
